\*\*\*\*\*

Ms. Kerns stated notification would be sent to appraisers and apprentices advising them to check the Board's website for important information regarding AMC Rules and Registration, new Rules 190 CSR2 and 190 CSR3, and the cash handling policy change.

### ***Legal Report***

During the last Board Meeting an application for an Apprentice Permit was submitted by Connie Williams. The application was pending receipt of additional educational documentation. Legal counsel was to review the requested documentation and, if it adequately addresses the concerns of the Board, the application would be approved. The requested documentation was received and viewed by legal counsel. The application was approved.

\*\*\*\*\*

A legal update was presented regarding Complaint Number 07-016. The Supreme Court issued a rule to show cause. This matter will be scheduled for consideration and oral arguments during the September 2014 term of court.

\*\*\*\*\*

An application for an Apprentice Permit for Greg Shaffer was received. Documentation reviewed indicated he was charged with a minor traffic violation in 2007. The Board has no record of any other criminal activity or disciplinary actions since the 2007 offense. A motion was made by Ms. Aliveto and seconded by Ms. Dawson-Clowser to approve the application. Motion carried.

\*\*\*\*\*

The Board office received inquiries regarding two licensed appraisers and their possible involvement in the Logan County matter in the US District Court for the Southern District of West Virginia. A motion was made by The Honorable Judge Julian and seconded by Ms. Dawson-Clowser that a complaint be opened against the appraisers to determine if there has been a violation of the Real Estate Appraiser Practice Act. \*\*\*\*\*

A review of the Valuation Review on-line report revealed that a federal jury found James Lignelli guilty of three counts of bank fraud with sentencing to be held on September 26, 2014.

Mr. Lignelli's license renewal form on file with the Board for the 2013-2014 license renewal period did not disclose that indictment by the federal grand jury was then pending against him, although question 4 or 5 on the application would appear to require that information.

Motion was made by Mr. Summers and seconded by Ms. Aliveto that due to the failure to disclose the federal indictment on his license renewal form, a complaint be opened against Mr. Lignelli. Motion carried.
