Complaint Number 14-014: On the 2014-15 Renewal Application the appraiser failed to disclose any current complaints or charges pending against him in response to question number 4, which lack of disclosure implies that no complaint or charges were pending. Subsequent information was obtained that revealed that there were indictments for two counts of felony possession of a controlled substance with intent to deliver that was not disclosed on the Renewal Application. A motion was made by the Honorable Judge Julian that there is probable cause to believe the appraiser violated the Appraiser Practice Act and that disciplinary action be initiated. Further, that should the appraiser wish to resolve the matter without a full administrative hearing the appraiser be offered a consent decree of a reprimand plus reimbursement of Board cost and an admonishment that all charges or complaints pending must be disclosed on future renewal applications. Mary Beth Aliveto seconded the motion. Motion carried.

Complaint Number 14-016: Complaint alleged multiple concerns: Appraiser violated USPAP Standards due to sales not being close in proximity to the subject and the Hospital near the subject, taxes are reported incorrectly, present use is not accurately reported, zoning is incorrect and sales were adjusted with no improvements. An informal conference was held on April 7, 2015. A motion was made by the Honorable Judge Julian that there is probable cause to believe the appraisers violated the Appraiser Practice Act and that disciplinary action be initiated. However, should the appraiser wish to resolve the matter without further litigation the appraiser will be offered a pre-charge diversion agreement in which he shall complete a 7 hour valuation class, maintain a log of all his appraisals to be inspected at the discretion of the board plus reimbursement of Board cost. Mary Beth Aliveto seconded the motion. Motion carried.

Complaint Number 15-001: Complaint alleged appraiser decreased value of property significantly below the original appraisal value that was completed by another appraiser even though there have been many updates to the property since the original appraisal. The motion was seconded by Mary Beth Aliveto. Motion carried.

Complaint Number 15-004: On the 2014-15 Renewal Application, the appraiser failed to disclose information about two arrest charges from 2014. ### ***Legal Update***

The WV Freedom of Information Act has been amended. The new FOIA law clarifies what a public agency may charge for requested information, broadens the definition of "public record" and requires all FOIA requests be sent to the Secretary of State's office. A copy of a recent Charleston Gazette article provided an easy readable description of the new FOIA law and was provided to the Board members for their review.

The Board was presented an issue regarding a reciprocal licensee who allowed his WV license to lapse for a period of more than 2 years. The appraiser holds valid licenses in several other states. After a detailed discussion, a motion was made by the Honorable Judge Julian to renew the appraiser's reciprocal license and seconded by Dale Dawson-Clowser. Motion carried.

A motion was made by David Shields to accept the terms of the Decree. Motion was seconded by the Honorable Judge Julian. Motion carried.

### ***Old Business***

A discussion took place at the February 11, 2015 Board meeting regarding how often supervisors should be required to take the AQB-required Apprentice-Supervisor Course. A recommendation was made that because a Supervisor Certificate is good for five (5) years that a supervisor

should be required to take the course every five (5) years. A motion was made by Ms. Dawson-Clowser to accept this recommendation and seconded by the Honorable Judge Julian. Motion carried. This will become *Board Policy* effective July 1, 2015.

Ms. Kerns reminded Board members that any changes to the 190 Series 2 and Series 3 legislative rules are required to be filed with the Secretary of State's Office by July 1, 2015. No suggested revisions have been submitted to Ms. Washington or Ms. Kerns at this time.

### ***New Business***

Ms. Kerns presented Board members with a copy of the Appraisal Subcommittee's Preliminary Compliance Review. In response to the report, the Board agreed there is room for improvement on resolving complaints filed against appraisers within one year (12 months) of the complaint filing date in the absence of special documented circumstances. ASC logs will continue to be submitted quarterly, as well as the Board continuing to work on resolving the issue.

Ms. Kerns presented Board Members with copies of the National Identity Services (NIS) Audit, recently conducted by the FBI. The FBI Criminal Justice Information Services Division uses the NIS Audit to assess how agencies with access to the national criminal history record information comply with federal laws and regulations associated with use and dissemination of information.

Ms. Kerns further presented the procedures for obtaining background checks, West Virginia State Police name searches and FBI name searches.

Ms. Kerns presented the Board with the WV Purchasing Division Inspection Report for Fiscal Year 2014. After a review was completed of issues found within the report, a summary was presented giving an overview of the findings as well as a percentage grading the transactions reviewed. The Board's total global result was 84.2%. A motion was made by Linda York to accept the Purchasing card Report and the motion was seconded by the Honorable Judge Julian.

Ms. Kerns and Ms. Washington advised Board that a discrepancy exists between the renewal form and legislative rules. 190-3, Renewal of Licensure and Certification, neither specifies that 7 hours of continuing education must be taken in the classroom, nor that the 7- hour USPAP (Uniform Standards of Professional Appraisal Practice) must be taken in the classroom. Ms. Kerns was directed to research other states rules regarding their CE requirements for online versus classroom requirements and to present the findings at the June Board meeting. Because of this discrepancy, the requirement should not be stated on the 2015-16 license renewal.

Board members additionally discussed when USPAP should be taken. It is required by the Appraiser Qualifications Board (AQB) to be taken every two years and can currently be taken by West Virginia licensees anytime during the two-year period. The motion was made by Linda York that the USPAP Course should be taken by West Virginia licensees within the first year of the update cycle. Motion was seconded by the Honorable Judge Julian. Motion carried.

Ms. Kerns proposed printing pocket cards from a different source this year.

1. Cards can currently be printed on only the tractor/ single feed printer by one person.
2. It would be more practical for multiple people/printers to be able to print pocket cards.
3. The current printer is at risk for problems and may not be fixable.

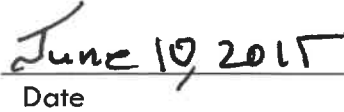

Ms. Kerns presented the Fiscal Year 2016 Expenditure & Revenue Budget. Discussion was held regarding the proposed budget. Ms. Kerns was directed to amend several expenditure line items prior to submitting the budget, including OASIS Expenditure Code 3206 (contracts), which would allow for a possible raise for the Board's legal counsel. A discussion was then held regarding the possible raise for legal counsel and the mechanism for such. The Board directed Ms. Kerns to communicate with the AG's Office and to report findings to the Board. A motion approving the budget was made by Linda York and seconded by Ms. Dawson-Clowser. Motion carried.

Being no further business, the meeting adjourned at 3:10 pm.
