NOTE: Per the AQB, educational offerings that have been approved for classroom presentation for CE credit are approved for synchronous presentation for CE credit, providing the instructor and students interact simultaneously online/virtually. Hybrid courses, AKA blended courses, are learning environments that allow for both in-person and online (synchronous or asynchronous) interaction.

Except for the 7-hour USPAP Course, credit shall not be awarded for completion of a continuing education course on the same topic more than once every three (3) years.
